MINISTRY OF RAILWAYS  
(RAILWAY BOARD)

\*\*\*

No.2010/Tele/9(1)/1 pt.

New Delhi dated 10.01.2014

17

Director General (Telecom),  
RDSO,  
Lucknow.

Sub: Specification for 'On Board Wireless PA System'

Ref: RDSO's Spec. No. RDSO/SPN/78/2008.

\*\*\*

The above cited Specification of RDSO was discussed in Board's office and observed that the methodology hitherto followed in provision of PA system in Rajdhani, Shatabdi and Jan Shatabdi Trains require modification as the integrity of the rake is more difficult to maintain in Superfast trains and that has led to public complaints.

In view of this, it has been decided to modify the existing Spec or go for a new spec. for "On Board Wireless PA System" and develop approved sources for addressing the above requirement. Further the possibility of integrating it with the Passenger Information System also needs to be checked.

RDSO is instructed to come out with a suitable solution at the earliest.
