

2010/Tele/3(5)1pt

Dated: 29.07.2022

GM(S&T),
NCR, NR & SWR

Subject Committee for Protection of Telecom Cables.

:

During CCEs meeting held on 12.07.2022 through VC, the matter regarding Protection of Telecom cable came up for discussion. Zonal Railways expressed that the quality of Telecom cables degrades due to many cuts encountered during the yard remodelling, doubling and other works.

It was discussed that a committee may be formed to give recommendation regarding the initiatives that can be taken for Protection of cables from excavation during various works (doubling, Yard remodelling etc.)

In view of above, a Committee comprising Shri J.P. Sindhu, presently CCE/NR, Shri R.N.Singh, presently CCE/NCR and Ms Madhavi, presently CSE/SWR is nominated to give recommendations regarding the Protection of Cables from excavation during works. The Committee may also go through Telecom Circular 17/2013 to suggest any improvements/modifications in same, if required.

The Committee shall submit its report within six weeks of issue of this letter.

This issues with the approval of AM/Telecom/Railway Board.
