- vi. 2012/C&IS/PMD/Progress dated 06.09.2013.

Guidelines on procurement and maintenance of Datacom equipment pertaining to IT works over all Indian Railways were issued in terms of Board's letter referred above. However, looking at the disparity in the matter of procurement and maintenance of Datacom equipments pertaining to IT works and in order to streamline the process involved in procurement and maintenance of datacom equipment for IT projects, in future, following directives contained in para-5 of Board's letter referred at (ii) above should be followed-

"The responsibility of installation, commissioning, operation and maintenance will lie with the same agency who does the procurement of equipment."
