**Sub: Provision of updated Digitized Cable Route Plans on divisional websites.**

**Ref: Suggestions received from One of the Zonal Railways to digitize the Cable Route Plans to minimize cable cuts.**

As part of Efficiency Improvement initiative, a suggestion had been received from one of the Zonal Railways to digitize the Cable Route Plans so that the cases of cable cuts can be got minimized. This system of digitizing the plans can be adopted by all Zonal Railways. Also, it must be ensured that they are periodically updated and this information should be available to all concerned departments. These updated Cable Route Plan(for both Signaling and Telecom cable) in Digitized form may also be uploaded on Zonal & Divisional websites, so that they can be easily accessed by concerned departments for executing various works.

Kindly acknowledge and ensure compliance.
