Sub: Record Note of discussions of the meeting in connection with maintenance of VSAT HUB and VSATs provided over Indian Railways taken by AM/Tele on 05.04.2019.

1. A meeting in connection with maintenance of VSAT Hub and VSATs provided for Disaster Management (at ART & ARMV) & Passenger Amenities (for UTS, PRS & FOIS) over Indian Railways and upgradation of VSAT Hub was taken by AM/Tele on 05.04.2019.
2. Following course of action has been discussed:-

SNo.	Item	Action By
1.	VSATs provided for Disaster Management in ARTs and ARMVs should be tested regularly by the Zonal Railways with VSAT Hub and status is to be maintained by Zonal Railways and VSAT Hub. Concerned zonal Railways shall pro-actively get the system rectified in case of any abnormality found.	PCSTEs All ZRs
2.	There is a need to give training to the staff for VSAT provided in ART and ARMV. The training and logistics shall be provided in such a way that VSAT shall be ready within 30 minutes of reaching of ART/ARMV at site.	PCSTEs All ZRs
3.	As per the report received from VSAT Hub, around 45% VSATs provided for UTS, PRS and FOIS applications are out of order or not in use. The status is enclosed at Annexure-III. Zonal Railways shall ensure expeditious repair and proper maintenance of the system. Necessary spares may be kept as per the requirement to keep the system working.	PCSTEs All ZRs
4.	The maintenance of VSAT Hub at Thomson Road, New Delhi shall continue to be under the control of NCR for continuity of the system for time being. Letter approved by DG(S&T) is enclosed at Annexure-IV.	PCSTE/NCR PCSTE/NR
5.	The VSAT Hub at Thomson Road is not having end of life as various components are still within the codal life. However, some systems have either completed its codal life or out of life from production point of view. Therefore, those systems need to be upgraded. The sanctioned work of upgradation shall be executed by NCR.	PCSTE/NCR
6.	It has found that there are problems in AMC/ARC in various zonal railways due to less number of systems provided. Therefore, centralised AMC shall be done as per the type of systems provided for Disaster Management and Passenger Amenities. The AMC shall be done by NCR as nodal agency by taking necessary feedback/details from Zonal Railways.	PCSTE All ZRs
7.	VSAT Hub at Thomson Road shall be improved and if required the operation may be outsourced for better working of the system	PCSTE/NCR

3. Meeting ended with Vote of Thanks to AM/Tele.
