Sub: Provision of official PSTN telephones in the residence of officers.

In case when both husband and wife work in the central government and both are entitled to residential telephone, only one telephone connection is allowed at their residence. However, the total call limit is increased by adding the individual entitlement of both the spouses. The total cost for the same is borne by the ministry that installs the phone. These are as per instructions issued by Ministry of finance, Department of Expenditure, vide O.M. No.F.14(11)-E(Coord)177 dated 19.08.77.

2. Northern Railway had sought guidelines from Board in cases where one of the spouse is in central government and other in a PSU/CRIS etc. It is clarified that the stipulation in para – 1 above is applicable only in cases when both the spouses are working in central government.
3. This issues with the concurrence of Finance Directorate of the Ministry of Railways and disposes of Northern Railway's letter no. 103-Sig/1/Optg/pt-V dated 04.07.2011.
4. Please acknowledge receipt.
