(iii) MeitY, Gol – OM no 3(15)/2004-CERT-In (Vol. XIII) - Pt. dtd 21.11.2023 addressed to CRIS

(iv) MeitY, Gol – OM no W-43/6/2020-IPHW-MeitY dtd 08.01.2024 addressed to SWR

(v) CSTE/Project/SWR's Letter no SG/SWR/Planning/2024/02 dtd 22.01.2024 to Railway Board

Vide letter at reference (i) above, RDSO was advised to take prompt action to ensure that the equipment being procured as per RDSO specs are in line with Railways requirement and comply Govt. of India guidelines and latest developments in the field of surveillance system. Also, methodology for cross checking the quality of equipment at consignee level has been asked to be formulated and incorporated in specs/instructions. The actionable outcome is still awaited from RDSO.

MeitY, vide its OMs referred above, has clarified the roles of CERT-In empanelled organization and specific expertise offered by STQC. MeitY has clarified that CERT-IN empanelled organizations are not assessed and empanelled by CERT-In for any product or hardware testing. The same is forwarded by SWR to Railway Board (ref v).

Since the matter is concerned with security of entire Video Surveillance System (VSS) network of IR and & in order to implement OMs of MeitY effectively, following directives is issued with the approval of Member (Infra) for immediate implementation:

“The security auditing and testing of equipment including source code of camera and software shall be carried out from STQC (Ministry of Electronics & Information Technology) only”.

RDSO is advised to immediately amend the clause 3.9 and its related clauses by revising specification for CCTV at stations and for CCTV in coaches accordingly.
