No. 2021/Tele/8(1)/6

New Delhi, dtd 13/09/2021

The General Managers (S&T),  
All Zonal Railways

**Sub.:Action Plan on Accident Investigation/Inquiry under the  
“Project for Capacity Development on Railway Safety”.**

\* \* \* \* \*

One of the action plans on accident investigation/inquiry under the project for capacity development on Railway safety as approved by Board, is to make provision for recording of voice communication between various units including train crew & station crew on VHF at the station to recreate the circumstances preceding the accident to aid in accident investigations.

2. Accordingly, all Zonal Railways are advised to make necessary arrangements to install equipment with voice recording facility of conversation taking place on Driver/Guard communication channel within the radio coverage area of station VHF sets as per requirement and availability of funds. RDSO specifications having provision for voice recording facility may be referred to.
