

भारत सरकार GOVERNMENT OF INDIA
रेल मंत्रालय MINISTRY OF RAILWAYS
(रेलवे बोर्ड) (RAILWAY BOARD)

सं. 2010/Tele/9(1)/1

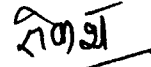

नई दिल्ली, दिनांक ०७/09/2011

**The Chief Signal & Telecom Engineer,
All Indian Railways.**

Sub: Control Communication System.

Indian Railways have been using OFC for its control communication and currently of 58,646 Rkm of controlled section, 32,673 Rkm is working on OFC.

It has however come to notice that at some locations, the equipments being used for control communication are not from RDSO approved sources. Control Communication is one of the most vital communications for safety and operational requirement. Therefore, it is necessary that products of only RDSO approved sources and as per RDSO specification should be used in it.
