TELECOM CIRCULAR NO.18/2013

**The General Manager,
All Indian Railways & Metro Kolkata.**

Sub: Regarding procurement of 5W Walkie-Talkie sets.

As DGS&D rate contracts for 5W Walkie-talkie sets have not yet been finalised, Railways have initiated procurement of VHF sets to meet emergent requirement from the market. In this relation, SER has requested Board to advise the inspecting authority for these VHF sets.

2. Accordingly, Railways are advised to go either for RITES or Consignee Inspection. In case of consignee inspection, the inspecting official should not be less than Sr. Scale officer. Proper record of inspection report should be kept.
3. Procedure for MIL standard compliance for these sets shall be as per Telecom Circular No. 07/2013 issued vide letter no. 2013/Tele/11(3)/2 dated 14.02.2013.
4. This disposes SER's letter no. S&T/ST/779/pt. VI/2315 dated 03.07.2013.
5. This shall be applicable for future procurements and existing cases of procurement may not be delayed on this account. It is further advised that procurement through open market should be done only to meet the emergent requirement till such time DGS&D rate contract is not available.
6. Please acknowledge receipt.
