TELECOM CIRCULAR NO. 2/2014

Sub:- Provision of Wi-Fi Internet facility at Railway stations.
Ref:- Your office letter No. RCIL/2013/BD/WI-FI/95 dated 26.3.14.

Board (MT & ML) have in-principle approved RailTel's proposal of providing Wi-Fi Internet facility at railway stations with following conditions:-

- (i) Railway will not incur any capital and recurring expenditure, if any, for this facility. RailTel will pay for the electric supply, if required, for equipments installed to extend the Wi-Fi facility on the usual commercial terms.
- (ii) Internet access will be provided free to the users for the first 30 minutes in a day (24 hour period) and will subsequently be charged. However, access to railway related sites for information like PNR and train enquiry will be free for the entire duration.
- (iii) Minimum bandwidth as per DOT guidelines should be available to each user.
- (iv) RailTel will strictly follow the procedure issued by DoT to ensure secure use of Wi-Fi Internet services and will also abide by various regulatory guidelines issued by Govt /Regulatory bodies.
- (v) If the work is done by RailTel through an Internet Service Provider (ISP), the selection of ISP should be done through an open and transparent manner following the extant guidelines.
- (vi) If RailTel enters into a revenue sharing model with the Internet Service Provider (ISP) for extending this facility at railway stations, it should form a part of the existing revenue share between the Ministry of Railways and RailTel.

To begin with this facility is to be extended at all A1 category stations.
