No.2020/Tele Dev/CCTV Project

Dated: 13.10.2020

**Chairman & Managing Director,  
RailTel Corporation of India Ltd.  
Plate A, 6<sup>th</sup> Floor, Office Block-2,  
East Kidwai Nagar, New Delhi- 110023.**

**Sub: Provision of IP based VSS at stations under Nirbhaya Fund**

**Ref: (i) RailTel letter no RCIL/CO/2016/Proj/Infrastructure/Video Surveillance  
/019/Vol-8/Part-2 dtd 31.08.2020, 11.09.2020, 15.09.2020**

**(ii) DIPP's OM P-45021/192/2018-BEII (E-26264) dtd 04.09.2020**

**(iii) This office letter of even no dtd 09.09.2020**

**(iv) This office letter no 2018/Tele/3(8)/1 Pt dtd 29.01.2019**

1. Vide letters under reference (i) above, RailTel has requested for inviting tender for Nirbhaya Stations, each of Eastern, Northern, Southern, Western region and fifth one for integration with the provision of Video Analytic (VA), FRS software, FRS server, NMS/EMS for monitoring of active equipment and Command Control Center (CCC) for centralizing monitoring of cameras.
2. The matter has been examined and in view of availability of funds, economy of scale, ease in integration, ease in maintenance and expediting the VSS works under Nirbhaya Project, Board (Member (Infra)) have approved the following:
  - 2.1 To invite four or more packages, in the tender covering all the remaining stations under Nirbhaya Funds by considering full functionalities like VMS, VA & FRS and associated items in each package. The left out works for 300 stations where work is in progress in respective region, may also be included in these.
  - 2.2 The integration with the provision of NMS/EMS for monitoring of active equipment and Command Control Center (CCC) for centralizing monitoring of cameras may be included in northern package as taken in earlier RFP.
  - 2.3 Stations already assigned to ECR and SER under Nirbhaya Fund will not be a part of this tender to avoid any redundant work unless the request from the respective railway is received of left over work in this regard.
  - 2.4 To follow RDSO specifications to the extent available to maintain the unification and integration of the entire system.
  - 2.5 To ensure the compliance of Make in India Guidelines and DIPP directions.

- 2.6 To ensure the compliance of all measures for data protection as per extent guidelines/instructions.
- 2.7 To ensure that no restrictive condition as well as no restricted parameter(s) in specifications favouring/restricting to any specific OEM/bidder is included in the bidding document.
- 2.8 To ensure the selection of agency to be done through open, transparent and competitive manner with following the extent rules/guidelines/instructions.

Kindly acknowledge the receipt and ensure compliance.
