**Sub: Numbering scheme for Video Phones for Indian Railways.**

Video phones are being widely used by senior officials of Railways for inter & intra Zonal Communications. Competent Authority has approved the numbering Scheme for Video phones for PHOD/CHODs and above officers at Zonal Railways/PUs/CORE/RDSO & DRMs at Divisional level. The Numbering Scheme for Videophones is attached for ready reference as Annexure-I.

Presently AGMs, few PHoDs/CHoDs of departments like Finance, Stores, Security, Personnel, Safety and Medical at Zones/PUs/CORE and DRMs at Divisions do not have the videophone facility. Railways which desire to provide the Videophone facility to these officials, can themselves procure Video phones sets which support open SIP and are compatible with Videophone server installed at Railway Board. Same can then be connected through Railnet with the Video phone Server installed at Railway Board. No license needs to be purchased by the Zonal Railways for connecting Video phones with the Video phone server at Railway Board.
