During the Safety Review at Central Railway and Western Railway on 18/19.01.2023 by Executive Director (Safety), Railway Board, Zonal Railways reportedly emphasized the importance of early deployment of '**Gate Telephone with Voice Recording facility**' on non-interlocked manned LC Gate to work as deterrence from adopting shortcuts in gate working.

2. In this regard, Central Railway based on requirement is advised to propose a work in respect of deployment of '**Gate Telephone with Voice Recording facility**' on non-interlocked manned LC Gate as per latest RDSO specifications.
