**GOVERNMENT OF INDIA (BHARAT SARKAR)
MINISTRY OF RAILWAYS (RAIL MANTRALAYA)
(RAILWAY BOARD)**

No. 2007/RBCC/5/6/Tender Portal

New Delhi, dated 06-06-2012

**The General Managers
All Indian Railways,
CORE & Production Units**

**Director General
RSC, Vadodara
RDSO, Lucknow**

**CAO
COFMOW, DMW/Patiala**

**Directors,
All Centralised Training Institutes**

Sub: Issue of Digital Signature Certificate by NIC for Railway Personnel.

The digital signature certificates are issued by different certifying authorities including National Informatics Centre (NIC).

As per the procedure prescribed by NIC for issue of the certificate through them, the application by an official has to be verified by the concerned Head of office of the applicant. Subsequently it has to be forwarded by the NIC coordinator associated with that office to enable issue of the certificate to the applicant.

However, in the case of Railways there is no NIC cell. Accordingly, NIC has desired that in case Railway units wish to get the digital certificate issued from them, a Nodal Officer may be nominated from each Railway Unit who would forward the application form to the office of the concerned NIC Certifying Authority. The details of the nominated officers of the Railway Unit would have to be intimated to the NIC before they can accept of the application forwarded by the said officer.

Hence, in order to adhere to the requirements stipulated by NIC (Department of IT, Govt. of India), it has been decided to associate each Railway Unit (Headquarters offices) with one of the offices of the NIC Registration Authority (RA). Since currently all the Headquarters of the Railway Units do not have a NIC RA in the same city, suitable mapping has been done for the same.

Sr EDPM or one of the equivalent officers discharging such functions in each Zonal Railway Headquarter, Production Units, CTI etc., is therefore nominated as the Nodal Officer who would have to forward the applications for Digital Signature Certificate pertaining to their office (including subordinate offices) to NIC, after the same has been verified by concerned Head of Office of the applicant as per prescribed format. For example, the application for an official in a Division would have to be verified by the concerned Head of office in the division, and then forwarded by the Sr EDPM of the Zonal Railway HQ who had been nominated as the nodal officer for that Railway unit, before being sent to NIC.

[Handwritten signature and date 8/6/12]

In case of any change of the nominated Nodal Officer, the same would have to be duly intimated to the RA of the NIC by the Railway unit, before application forwarded by them would be accepted by the NIC.

The above procedure would have to be followed in case the Railway Unit opts for getting the Digital Signature Certificate issued from NIC.

The list of Railway Units and the RA offices of NIC-CA associated with the same is attached. The Railway Unit may therefore submit the details of their Nodal Officer to the RA Offices so indicated for further necessary action.

Please acknowledge receipt.

DA: As above

(Suyash Narain)
Director ME(C&IS)

Copy to: Shri S K Sinha,
Senior Technical Director &
Head NIC Certifying Authority
National Informatics Centre
Department of Information Technology,
A Block, CGO Complex, Lodhi Road,
New Delhi- 110003

With a request for issuing necessary instructions to NIC RAs, in reference to your letter No. 94/NIC/STD/SKS/2102 dated 10.05.2012.

List of NIC RA Offices allocated to Railway Units for issuing Digital Signature Certificates

(Note: As per list provided by NIC, currently NIC RAs are not located at all the locations of Railway unit HQs. Accordingly, suitable mapping has been done to cover all the Railway units)

Nodal Officer: Sr. EDPM or one of the equivalent Officers discharging such functions in the HQ of concerned Railway unit
